

Memorandum of Understanding (MOU)

Between

SUDAN'S TECHNOCRATS FOUNDATION
AND
GCET Jammu

This Memorandum of Understanding (MOU) was made on this day **9th November, 2021** BETWEEN **GCET Jammu** AND **Sudan's Tech** to work together at various points and help in resulting fruitful collaboration in the **Job Creator Program**. Both the parties may collectively be referred to as parties to this MoU.

Purpose of this Job fair :

Sudan's Tech mission is to upskill and connect diverse talent to high-visibility roles. Our platform has nearly 4000+ active community members across several countries. We have partnered with many companies that are looking for talented people and through this programme we are helping students to get jobs.

Mentioned below are the terms of MoU:

1. Sudan's tech will be conducting the complete job fair on their own .
2. Sudan's tech will not be sharing any company's contact/confidential information with the college/University. All the communication will take place through Sudan's Tech only.
3. Once the student is hired by X company (i.e After 22nd December 2021), Company can make a direct contact to student, post that Sudan's tech will not be involved in any form of activity.
4. On the last day of the Job fair, Sudan's tech will provide feedback for all the students that were rejected by the company in any round of their interview process and areas of improvement for them.

5. College placement cell or College has to provide a list of students that will register for the programme with all details and they are required to fill student registration form mentioned on the website.

6. College has to make sure that students will not skip any test or interview and if done so , a proper validation and reason needs to be stated by the other party.

We hope your institution will take maximum advantage of this partnership for the benefit of Students.
