VISION

To emerge as a pioneer centre of research and technology imparting a greater contribution in "Nation-building" by inculcating the intellectual potential, moral character and professional ethics among the aspiring young engineers so as to fulfil the vision of India as a "Developed Nation".

MISSION

- To provide an atmosphere that facilitates personal commitment to the educational success of students in an environment that values diversity and community.
- To produce quality manpower equipped with excellent technical skills, human and social values, leadership, creativity and innovation for the sustainable growth and benefits of mankind.
- To inculcate entrepreneurial attitude and values amongst learners.

From the Principal's Desk

“Self-Belief and Hard Work will always earn you Success

Message

It gives me an immense pleasure to welcome Fresher's to the portal of Government College of Engineering & Technology (GCET) Jammu, a college of Higher Education Department J&K UT to empower students with sound knowledge, wisdom, experience and training both at the academic level of Engineering and in the highly competitive global industrial market. The college started its voyage in 1994 with a vision of navigating the intricate athwart ocean of science and engineering via the power of the human mind, body, and soul. It's Journey over nearly the past three decades has witnessed strong blend of state-of-the-art infrastructure and intricately intertwined human resource committed to provide professional education with thrust on creativity and innovation. The motivating environment in the institution stimulate the students for knowledge assimilation, hands-on experience through

research and training, human values, sense of social responsibility, and concern for social commitment.

The special emphasis is on Outcome Based Education (OBE) and Experiential Learning. The academic activities concentrate on helping the students to be proficient in excellent theoretical knowledge base, advanced technical knowledge, inventiveness, accuracy and precision, resilience, enthusiasm and critical reasoning etc. We constantly review, upgrade and update the set up to ensure that students gain thinking skills, analytical frameworks, entrepreneurial skills, Life skills, interpersonal and communication skills during their four years stay in the institute.

GCET has entered into several Memorandum of Understandings (MoUs) with different organization/industries for academic and research collaboration. This has led to establishment of a robust Industry linkage, aiming to provide extensive exposure to the students of the UT through training and internship in various fields. This industry linkage not only enhances the quality of education but also provides opportunities for research and innovation.

There is ample of scope in co-curricular and extracurricular activities at GCET wherein the students are encouraged to showcase their talents. The college verify that the students prove themselves to be not only well qualified engineers but also very responsible and ideal citizens of our country. The University results and placement speaks about our excellence with many of our students bringing laurel to the institution by getting highest ranking in university exams. The Alumni of this college have excelled in various spheres and are positioned very well globally in a number of leading Government, Public Sector and Private Organizations at the UT and National level.

GCET adheres to its core values and mission of nurturing well-rounded individuals, cultivating polished, refined, and thorough professionals.

I would like to place on record our sincere gratitude to the Higher Education Department, J&K Government for taking keen interest in the academic/developmental activities of the college and also for providing continuous support.

Dr. Sameru Sharma

Principal

INTRODUCTION

Government College of Engineering and Technology (GCET), Jammu was established by the Government of Jammu and Kashmir in 1993 with the approval of All India Council of Technical Education (AICTE) and is affiliated to the University of Jammu. It was created with the vision to provide valuable resources for industry and society through excellence in technical education and research. The campus is spread over 869 kanals of land at Jammu which is 22 kms away from Jammu city. The college is recognized by University Grants Commission under Section 2(f) and 12(b) of the UGC Act, 1956. The Institute has well designed State of Art infrastructure with highly equipped labs in various departments.

GCET Jammu has become the first institution of UT of J&K to have all its five UG programs accredited by National Board of Accreditation (NBA).

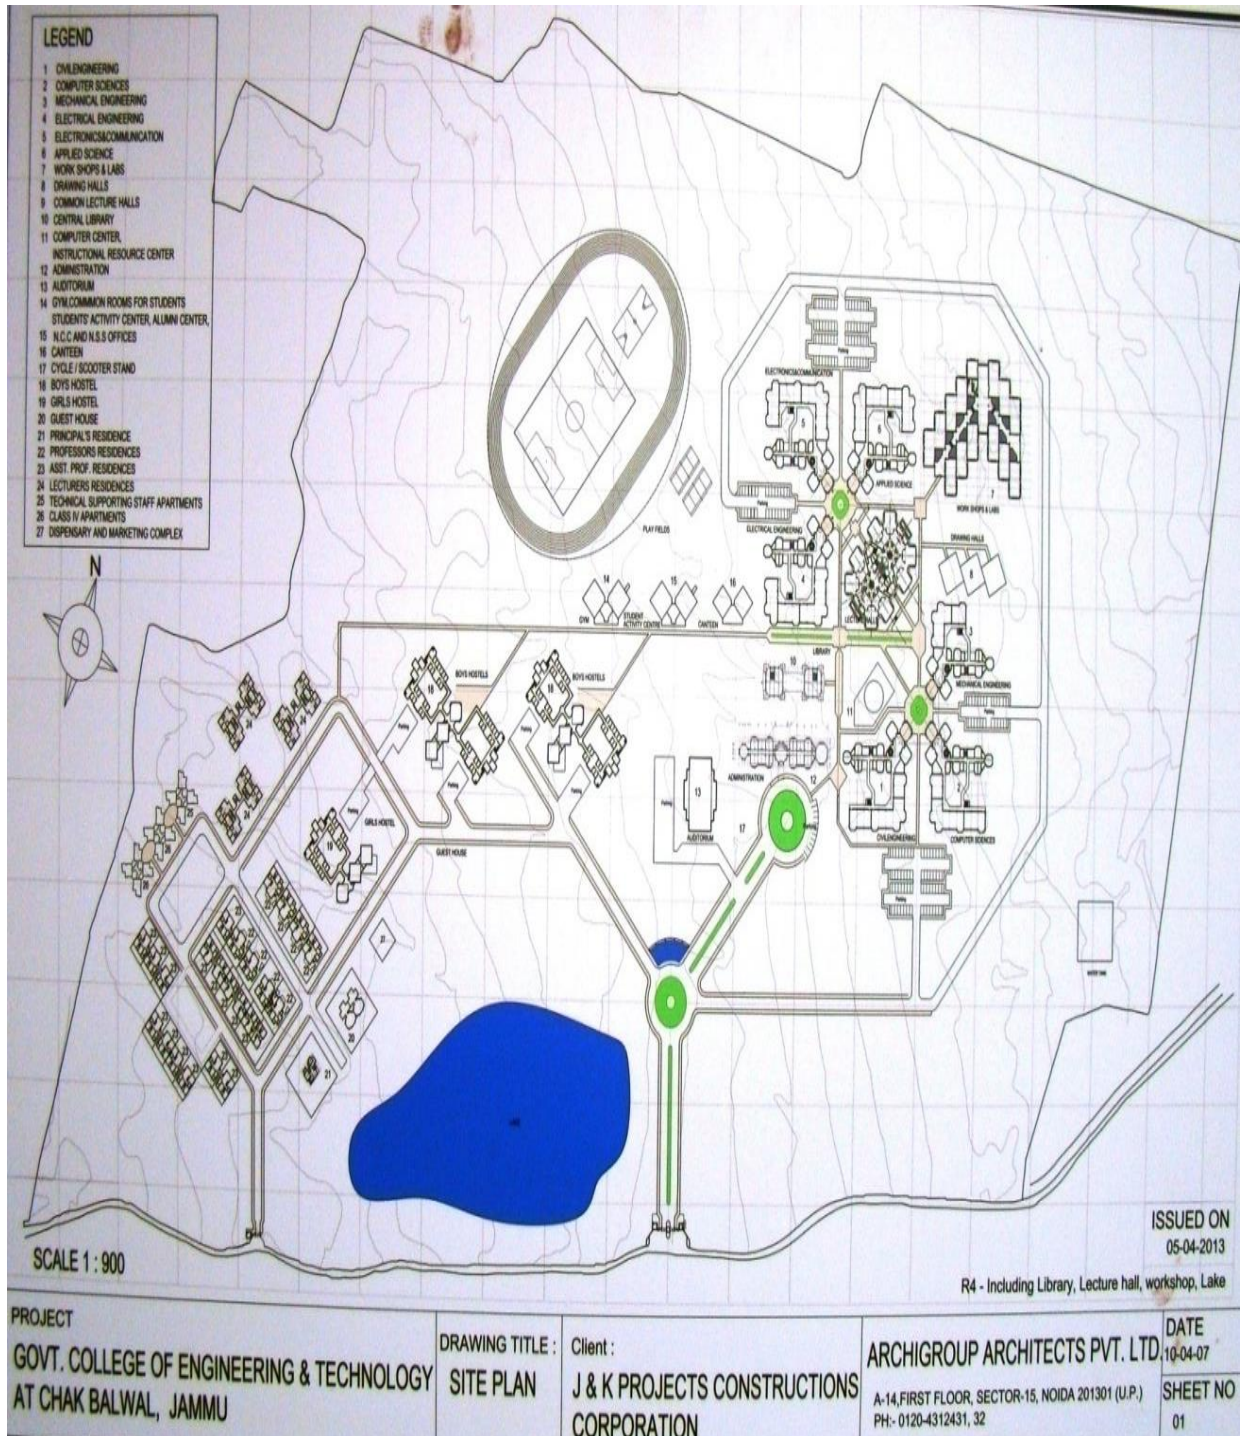

The Institute offers UG (B.E) Degree in five disciplines namely Electronics and Communication engineering, Electrical engineering, Computer Science engineering, Mechanical engineering and Civil Engineering with an intake capacity of 60 students per discipline and PG (M.Tech.) Degree in Computer Science Engineering, Electronics & Communication Engineering and Mechanical Engineering. Besides, the Institute also offers Lateral Entry Scheme in B.E. 3rd Semester with 10% of the sanctioned intake capacity, supernumerary to the approved intake in each discipline of Engineering. Aside from imparting education to the students of UTs of J&K and Ladakh, the Institute is also actively offering Consultancy Services to various Government/Semi Government agencies such as PMGSY, CPWD, PDD, MES, PWD, ERA, Central University, IRKON, Konkan Railways, JDA etc. The Institute has availed Technical Education Quality Improvement (TEQIP-III), a World Bank aided project of MHRD, GOI with an aim to enhance the quality of technical education.

Training & Placement Cell of the Institute adopts proactive approach to train the students as per the needs and demands of the Job market. The Alumni of this Institution have excelled in various domains, positioned very well across the globe in innumerable MNC's, Government, Public and Private organizations within and outside India, thus bringing laurels to the Institute. Since 2017, the institute has been conducting Induction programme for the naive learners as a regular feature to enhance their creativity, boost confidence, regulate time management, cultivate leadership and interpersonal abilities amongst them.

Over the past Twenty-Nine years, it has consistently served as an inspiration for emerging young engineers, guiding them to reshape their mind sets and establish ecosystems that foster and nurture their innovative and entrepreneurial qualities. Furthermore, the Institute has effectively addressed practical challenges encountered by stakeholders across diverse engineering disciplines.

-
- On 16Feb. 2023, Essay writing competition was held to celebrate International Mother Tongue Day. Ms. Sarah Malik’s essay was adjudged the best.
- On 17th Feb. 2023, in collaboration with Ek Bharat Shreshtha Bharat Club organized an awareness rally on the theme “**Empowerment of Women and Children**” and a quiz competition on India’s G-20 presidency 2023.
- On 20 Feb. 2023, Seminar was held on “**Need of Life Skills in life**” and “**English & Employability**” in which Ms. Aroos Un Nisa and Mr. Nitin Kumar Saporu was adjudged the best speakers simultaneously.
- On 24th March 2023, a quiz competition on the theme “**Yes! We can end TB**” was organized to commemorate world Tuberculosis day.
- On 24th April 2023, NSS unit in collaboration with District Election Cell conducted series of events under the aegis of Systematic Voters Education and Electoral Participation (SVEEP) programme.
- On 18th May 2023, NSS unit organized a blood donation camp in the campus in collaboration with Department of Blood Transfusion, GMC Jammu. 63 students including and the staff members donated the blood and checked their Hb and blood groups.

- On 20th May 2023, a quiz competition was organised on the topic “**Green Chemistry**” by the Department of Chemistry. Mr. Sushant Dhar and M.r Raghu Charak of Computer Department, 2nd semester got 1st prize.

- Two days intra-college Sports Meet was organized on 25th and 26th May, 2023 by GCET to make the students more fit both mentally and physically to achieve their goals. Both Indoor and Outdoor games like Cricket, Volleyball, Badminton, Chess, Carom board and Table Tennis were played in the campus in which more than 150 students participated.

- On 1st June 2023, world environment day was celebrated by organising poster making competition by the Department of Chemistry. Ms. Tavishi Sharma of E&C Department 2nd Semester got first prize.
- On 2nd June 2023, Azonic Club of E&C Department organized an Interactive session with Alumni Mr. Navjot Singh and Mr. Abhinandan Singh who recently selected as IAS officer. They shared their personal stories, highlighting their own struggles, triumphs and the lessons they learned along the way. The session served as a bridge between the academic world and the professional realm, offering invaluable insights into the journey from classroom to career success. The interactive session allowed students to seek personalized advice and guidance.

- On 5th June 2023, NSS Unit of organized a Poster Making competition and a lecture on the theme Beat the Plastic solution to celebrate “**World Environment Day**”.

- One 9th June 2023, the NSS Unit in collaboration with Government Ayurvedic Medical College, Akhnoor organized one day Yoga Awareness Programme on the theme Yoga for Humanity. More than 100 participants took part in the said programme.

- On 14th June 2023, the NSS Unit celebrated **World Blood Donors' Day** by organizing an awareness session on blood donation.

- Ms. Adeela Shafiq from M.Tech 1st semester Mech dept. has won **Gold medal in dead lift, silver medal in Squat and a bronze medal in Bench press in Powerlifting and Deadlift championship** from 16th to 18th Sept 2022.

DEPARTMENT OF CIVIL ENGINEERING

VISION

To impart quality education in the field of Civil Engineering with perspective to make our students ethically strong engineers.

MISSION

- To make the department a centre of excellence in the field of civil engineering and allied research.
- To produce civil engineers of high calibre, technical skills, and ethical values to serve society and the nation.
- To develop strong collaboration with Industry, Academic and Research institutes of the country for the development and benefit of the students as well as society.

EVENTS ORGANISED

- Technical visit to Ring road Bhalwal on 24th November 2022.

- Civitech Club, Deptt of Civil Engineering, GCET organized technical visit to casting yard expressway (six lane), Gangyal on 27th January 2023.

DEPARTMENT OF COMPUTER ENGINEERING

VISION

To produce “Creators of Innovative Technology “with excellent technical skills, leading on to become professionals with high ethical values; prepared for lifelong learning.”

MISSION

- To impart quality and value-based education.
- To gain research knowledge in the state of art technologies in Computer Engineering through rigorous course work.
- To develop the human potential so that the intellectually capable and creative technocrats can diversify into a range of professions

EVENTS ORGANISED

On 15th May 2023, Dr. Pooja Sharma, Asst. Professor, School of CSE, SMVDU, Katra, delivered a lecture on “***Digital Transformations with Internet of Things***”. Students of B.E 4th, 6th and M. Tech 2nd and 4th semester attended the lecture with great enthusiasm.

DEPARTMENT OF ELECTRICAL ENGINEERING

VISION

The vision of the Department is to guide and motivate students to achieve technical competency in the field of Engineering and to produce electrical engineers as professionals with full knowledge who can serve as a valuable resource for industry and society with continuous learning.

MISSION

- To provide students with a supportive environment for learning.
- To promote analytical aptitude with ability to think logically.
- To produce electrical engineers with due consideration of social and ethical values.
- To prepare engineers for the industrial development and economic growth of the country.

EVENTS ORGANISED

- A One Day Technical visit to a GRID SUBSTATION BARN,JAMMU, was held on 31 August 2022.

- Salal Power Project-A one day industrial visit to Salal Hydroelectric Project was organized by GCET Jammu for the students of Electrical Engineering 8th Sem Batch- 2019 on 14th March 2023.

- The DYNAMO CLUB of Electrical Engineering Department, organized an event on the topic of Lifestyle for Environment under the banner of “VASUDHAIVA KTUMBAKAM” or “ONE EARTH ONE FAMILY ONE FUTURE” which is the theme of the G20 Summit under India’s Presidency on 25th March 2023.

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

VISION

The vision of ECE Department is to produce competent technocrats, confident enough to face the challenges of the industry by motivating and bringing out their professional competence and entrepreneurship ability.

MISSION

- To produce qualified engineers who are competent in the field of electronics and communication engineering and able to meet the challenges of fast changing industry requirements at various levels.
- To promote analytical aptitude with ability to think logically and to nurture the spirit of innovation and creativity among faculty and students.
- To install creative thinking and inculcate passion for lifelong learning.

EVENT ORGANISED

Electronics and Communications Department in collaboration with SSRB Technologies Kanpur organized 5 days workshop on ***“Raspberry pi and its interfacing with sensors”*** from 24th April to 28th April 2023.

DEPARTMENT OF MECHANICAL ENGINEERING

VISION

The vision of this department is “Strive to thrive for quality man power who will contribute towards technological development in the field of mechanical engineering and socio-economy”.

MISSION

- To emphasize on teaching learning process that will mold the students into competent engineers.
- To provide quality graduates to meet the needs of industry and society.
- To create centre of excellence to provide students with opportunities to strengthen their leadership and entrepreneurial skills.
- To provide opportunities to create, analyze, apply and disseminate knowledge.
- To prepare students for careers in different fields of advancement of mechanical engineering.

DEPARTMENT OF CHEMISTRY

VISION

The vision of the department is to be a nationally recognized undergraduate chemical engineering program coupled with research strengths in process safety, process systems engineering, applied thermodynamics, polymers, mineral processing and biochemical engineering.

MISSION

- Provide a high-quality education experience that will prepare graduates to assume leadership positions within chemical and other associated industries.
- Foster and encourage the pursuit of new knowledge and innovative scholarship in chemical sciences and engineering.
- Advance a knowledge platform that empowers engineers to address and solve contemporary problems being faced by society and industry.

DEPARTMENT OF MATHEMATICS

VISION

Department of Mathematics strives to be internationally recognized for academic excellence through the depth of its teaching and research, and to be locally relevant through its role in the development of the community it serves.

MISSION

- Making Engineers to develop mathematical thinking and applying it to solve complex engineering problems, designing mathematical modeling for systems involving global level technology.
- To inspire and empower the students to become innovative leaders, contribute to the success of organizations and betterment of communities.
- Develop critical thinking and problem solving skills, content knowledge, and the ability to communicate ideas effectively.

DEPARTMENT OF PHYSICS

VISION

To develop organizational skills, core competence and inculcate ethics by providing a strong foundation in Applied Physics to the First Year Engineering students.

MISSION

- To impart basic concepts of Science to evolving engineers by igniting as well as nurturing the enthusiasm and Passion in the study of Physics as a part of the Professional Curricula.
- To inspire, Encourage and prepare the students to emerge as quality Engineers and Technocrats to meet the growing demands and challenges in the present global era.
- To evolve strategies towards performance and continual improvement of the department by raising the standards in teaching, research, innovation and implementation in Engineering Physics.

DEPARTMENT OF HUMANITIES

VISION

To be globally recognized institution of academic excellence in providing quality education in the field of economics, management and related fields and as a centre of distinctiveness in research, innovation and entrepreneurship with an overall concern for better life, environment and society.

MISSION

- Imparting knowledge and guidance required by the students for becoming better engineering professionals.
- Providing education for universal and value based growth of students.
- Train their students with knowledge and skills which is required to excel in their professional careers and various aspects of life.

Admission to B.E. Degree Course under Lateral Entry Scheme has been started since the year 2015. The candidates are directly admitted in B.E. 3rd Semester in all the Engineering Institutes affiliated to University of Jammu, after fulfilling the due criteria laid down for counselling/admission by the concerned University. Total seats available are 10% of the sanctioned intake capacity of each stream of the Institute and are supernumerary to the approved intake.

ELIGIBILITY

- i. The candidate who has passed
 - (a) Three years Diploma in Engineering and Technology from AICTE Approved Institute with atleast 50% Marks (40% in case of candidates belonging to reserved categories.
 - (b) B.Sc (Non Medical) from a recognized University as defined by UGC with 50% (40% for SC/ST) marks in aggregate and passed 12th standard with Mathematics as a Subject. Further, the students belonging to B.Sc (Non Medical) shall be considered only after filling the supernumerary seats with students belonging to the Diploma Stream. However, such candidates shall have to pass the Engineering Mechanics, Engineering Graphics and Machine Drawing-I Courses of the B.E. Programme during their course of study.
- ii. Lateral Entry Engineering Test is conducted by University of Jammu, Jammu.

IDENTITY CARD

- i. Every student on being admitted shall be issued an Identity Card. He/She will have to carry it all times in his/her possession and shall produce on demand by any member of the Institute staff anywhere in the Institute premises.

INSTITUTE WEBSITE

GCET Computer Engineering Department has developed the Institute website with the link: [http:// www.gcetjammu.org.in](http://www.gcetjammu.org.in)

TOUR AND PICNICS

The Institute organizes local picnics/trips to various places of historical and educational importance, subject to the availability of funds.

CANTEEN

Adequate Canteen facility is also available in the Institute. The Canteen is run by a contractor and provide eatables at reasonable rates.

FEE STRUCTURE

Selected candidates are required to deposit their fees within the stipulated time failing which they will lose their claim for admission.

Fee structure semester-wise as approved by Higher Education Department and University of Jammu is as under:

ADMISSION FEE

Rs. 22695/- B.E. Ist Semester for JKBOSE Students*

Rs. 23665/- B.E. Ist Semester for CBSE Students*

HOSTEL FEE

Hostel fee Rs. 4050/- per semester*.

Hostel Mess Charges Rs. 3097/- per month *. (*) Subject to change

Note

- (i) In 1st Semester, an amount of Rs. 970/- shall be charged in addition to the actual fee as eligibility fee from the students who have passed the 12th Class Examination from other than J&K Board.
- (ii) The students seeking admission in the Hostel have to deposit Hostel and Mess Fee for the complete Semester in advance.

HOSTEL ACCOMMODATION

The GCET Boys Hostel, having a capacity of 200 students provides accommodation on merit basis. The students availing the hostel facility will be required to deposit the hostel fee and hostel mess charges in "Advance" for each semester as per details enlisted in the "Fee Structure". Further they have to follow the norms prescribed by the Institute for smooth functioning of the Hostel.

HOSTEL RULES AND REGULATIONS

Hostel accommodation is provided with the understanding that the resident student will strictly abide by the Hostel Rules currently in force or as may be enforced from time to time.

Accommodation in the Hostel cannot be claimed as a matter of right. The Institute Administration may refuse accommodation to any student who is known to have grossly violated the Hostel Rules or whose presence is likely to disturb the peace and tranquillity of Hostel. Violation of Hostel Rules will make the student liable to disciplinary action including permanent expulsion from the Hostel. Students must remember that Hostel is the home of the student in the Campus and therefore, he should behave in the Campus as well as outside in such a manner as to bring credit to himself and to the institution. A student once admitted in the Hostel, will continue to be a hostel inmate throughout the year unless otherwise debarred from the Hostel on disciplinary grounds and he will have to pay the room rent for both the Semesters. Every student must be acquainted with all the rules and regulations of the Hostel. He must observe them strictly. Ignorance of rules will not be considered as an excuse.

- Every student should stay in the room allotted to him. Mutual exchange of rooms after final allotment is not allowed. However, Hostel Committee may allow this as a special case on valid and reasonable ground. Violation of this rule will be considered an act of gross misconduct and entail appropriate disciplinary action including expulsion from Hostel and imposition of heavy fine.
- Boarders must go through the Hostel Notice Board regularly. The Warden or any other authorised member of the institute staff can inspect the room of any student in the Hostel at any time. Hostel inmates are supposed to keep I-Cards with them and must present the same to any Hostel or Institute Authority whenever asked to do so. Students must always carry their Identity Cards with them.
- No boarder should see the Principal for ordinary matters. Warden of the Hostel is the right person for such matters. In next step they can approach the Convener of the Hostel Committee.
- All cases of illness should be reported to the Medical officer of the institute through the Warden or directly.
- No student should keep any fire-arms, lethal weapons, poisonous things or intoxicants of any kind in the Hostel. Students must not take law into their own hands, but must report all disputes to the Hostel Warden. All kinds of shouting, fighting, gambling, stealing, violent knocking, maltreating or abusing are strictly prohibited. In such cases offender will be handed over to Police immediately.
- The boarder shall have to vacate accommodation as and when asked by the authorities. All the boarders shall vacate the Hostel rooms before they leave for the summer vacations so that annual repairs and white wash is carried out. All the Hostel articles

issued to the students are to be returned to the caretaker before the students leave their rooms. They will be responsible for any loss.

- No boarder is allowed to engage a private servant or keep pet animals.
- Students shall not remain absent from their Hostels during night hours without the prior permission of the Warden.
- Hostel students shall not leave the Campus without prior permission of the Warden. They shall have to apply in advance stating the reason for leaving and the address of destination. Hostel students who leave the Hostel without permission from the Warden shall be deemed to be missing and Parent/Guardian/Police authorities may be intimated in consultation with the Principal.
- The inmates of the Hostel will not leave the Hostel premises on holiday for the purpose of Excursion or picnic. Prior permission of the Warden has to be obtained for going for any Picnic or Excursion. However, for any eventuality that may occur during Picnic/Excursion., the responsibility does not lie with the Institute authority.
- Hostel inmates are supposed to take care of their health themselves. Student suffering from infectious disease has to leave for medical treatment to proper Clinic/Hospital or isolated place.
- Formation of association/club of students on the basis of regions, religions, caste or creed is not permitted during their stay in the Hostel.
- Room furniture and electric fittings are required to be maintained by the inmates in good condition. At the time of allotment of room and leaving the Hostel for the Summer Vacations, every student must take over and hand over, respectively, the Hostel property carefully. Students should vacate the Hostel during Summer Vacations.
- In case of damage to any part of the Hostel buildings, furniture, apparatus or other property of the Institute, caused by inmates of the Hostel, the loss shall be recovered from the persons identified as responsible for such damage. However, if the person causing damage cannot be identified, the cost of repairing the same as may be assessed will be distributed equally amongst all the inmates of the Hostel or group of inmates of the Hostel found responsible for the damage.
- Students should lock their rooms properly when they go out for bath, food etc. Each roommate must keep a key of the door lock of his room in case of double/triple seated accommodations.
- Every student residing in the Hostel must join the Mess. Individual cooking is not permitted. They are not allowed to cook anything in their rooms.
- Every inmate of the Hostel shall pay the Mess bill and other charges as per the notified schedule. The approved rules regarding Mess will be applicable to all inmates of the Hostel. Mess regulations shall be binding on the boarders of the Hostel. The regulations for Mess can be amended at any time even during mid-session for the smooth running of the Mess facility.
- Ragging in any form is a cognizable offence and severely punishable as per the Supreme Court directives leading to expulsion from the Hostel and the disciplinary action may culminate in his expulsion from the Institute as well. The Institute administration may report incidents of ragging to the Police for taking appropriate action under the law.
- Penalty for violation of Hostel rules will be decided by the Hostel authorities considering the severity of the offence/violation of rules/act of indiscipline.

- Guests are not permitted to stay overnight in the room of the students. A boarder keeping a guest in his room is liable to be fined.
- Students are prohibited from giving shelter to any other student/outsider in the rooms. In case of any unauthorized shelter, the student will be liable to disciplinary action.
- Resident students are not permitted to invite any outside person to address any meeting in the Hostel without written permission of the Principal.
- Light must be switched off when not in use. The use of electric heater, electric rod, ACs and other similar appliances are prohibited. Boarders are warned against tampering with electric installation and for all electric repairs the electrician should be called in.
- Students in their own interest, are advised not to keep excess cash or any valuables in their Hostel rooms. They are cautioned to be very careful about safety of their belongings. They should close their rooms securely when they leave the room even for short periods or when they are sleeping. Institute shall not be responsible for the loss of such items due to theft or otherwise. However, in the case of theft, the matter should be immediately reported to the Warden and security Officer of the Institute.
- Students are prohibited from consuming alcoholic drinks, drugs, cigarettes, tobacco products or any other intoxicants inside the Hostel or to enter the Hostel after consuming the same. Any student found consuming such things or in a drunken state in the Hostel will render himself liable for strict disciplinary action, including expulsion/ rustication from Hostel/Institute.
- Students are prohibited from screening/keeping obscene literature/ video films in the possession. Any violation in this regard will result in disciplinary action.
- Allotment of rooms to the students shall be made for an academic year.
- During the failure of power supply or outage the backup supply through the Generator Set will be provided from 08:00 p.m. to 10:00 p.m. During emergency/examination hours the duration of backup/Generator Set supply shall be changed as recommended by the Convener Hostel Committee from time to time. Any Hostel boarder found creating violation/nuisance during power failure shall be liable for strict disciplinary action including expulsion/rustication from Hostel.
- In case of Wi-Fi/Internet failure within the Hostel premises, the Hostel inmates shall bring the matter to the notice of the Warden. The Warden will take up the matter with the concerned authority. If any Hostel inmate is found creating commotion for the same, strict disciplinary action shall be taken against the concerned person.
- Every student shall be responsible for the safety of furniture/other articles given to him. Furniture neither to be removed from the room nor carelessly kept outside the room. Anybody indulging in this practice will be liable to a fine Rs. 200 per article.
- Act of indiscipline misbehaviour, gambling, violations of hostel rules, use of intoxicants in the hostel premises shall be liable to expulsion or a fine of Rs. 500 or both.

STATUTES GOVERNING THE DEGREE OF BACHELOR OF ENGINEERING(CBS) notified by the University of Jammu from the Academic Session 2022-23.

1. There shall be a 4 year Bachelor's Degree Course in Engineering (hereinafter referred to as B.E Degree Course) comprising the following eight academic semesters:
 1. B.E 1st Semester
 2. B.E 2nd Semester
 3. B.E 3rd Semester
 4. B.E 4th Semester
 5. B.E 5th Semester
 6. B.E 6th Semester
 7. B.E 7th Semester
 8. B.E 8th Semester

The maximum time duration to complete the B.E Degree Course will be 8 years. If a candidate fails to complete the B.E Course within 8 years, his/her registration for B.E Course shall stand cancelled.

- 1.2. The Academic Calendar as given in Appendix be adopted in B.E statutes. The academic year comprising a capsule of two semesters (odd and even) shall normally commence in the first week of August each year.
- 1.3. The examination for the B.E Degree Course in Engineering shall be conducted in the following disciplines:
 - (a) Civil Engineering
 - (b) Mechanical Engineering
 - (c) Electrical Engineering
 - (d) Electronics and Communication Engineering
 - (e) Computer Engineering
 - (f) Information Technology Engineering

1. ADMISSION

- 1.1 Admission to the 1st Semester of 4 year B.E. Degree Course shall be open to candidates who have passed 12th class examination under 10+2 scheme with English, Physics and Chemistry (Science Group) from J&K State Board of School Education or any other examination conducted by a University/State Board of Secondary Education

recognized as equivalent thereto with not less than 50% marks in aggregate in the qualifying examination in respect of open category and 40% marks in aggregate in SC/ST and other categories. The admission shall be made on the basis of Common Entrance Test conducted by the Board of Professional Entrance Examination of the State Govt. for the purpose.

- 1.2 Depending upon the number of vacancies approved by the **UT** Government Authorities from time to time; Diploma Holders with a minimum of 60% marks in the aggregate in any branch of Engineering from any StateBoard of Technical Education recognized by the All India Council for Technical Education (A.I.C.T.E.) shall also be eligible for admission directly to the 3rd Semester of the 4 year B.E. Degree Course based on the Common Entrance Test to be conducted by the University of Jammu under **Lateral Entry Scheme**. 5. PASS PERCENTAGE

- 5.1 The credit based UG curriculum in Engineering for all B.E courses as per the new AICTE model curriculum has been adopted from the session 2018-19 and onwards. In view of the credit system the evaluation shall be on the basis of Grade and Grade points and shall be finally reflected as semester Grade point average (SGPA) and cumulative Grade point average (CGPA). The CGPA can be converted to equivalent percentage by multiplying CGPA by 9.5. The minimum marks required to pass in each course examination of any semester shall be 40% (Grade D) in theory examination and sessionals separately; provided that a candidate who appears in all the courses of a semester and fails in only one

course (theory part only) by not more than 3% of the maximum marks allotted to that course shall be deemed to have passed the examination. Provided also that this concession shall not be granted in the sessional and to a candidate who passes the theory courses of examination of a semester in parts.

- 5.2 A candidate shall be declared to have passed in a particular course, if he/she marks in theory, sessional for that course are less than 40% (Grade E). In that case, the student shall be allowed one or more chance to reappear in the sessional along with the regular students of same semester. His /her sessional will thereafter be communicated to the Controller of Examinations along with the regular students.
- 5.3 A candidate shall be declared to have failed in a laboratory course if he/she secures less than 40% (Grade E) in a particular laboratory course. Such a candidate can clear the backlog only when such a laboratory course examination will be available.
- 5.4 The evaluation of Sessional marks in the theory papers of all the semesters shall be based on the following distribution:
- | | |
|-----------------------|-----|
| i) Class Test | 40% |
| ii) Class Assignments | 40% |
| iii) Class Attendance | 20% |

The marks out of 20% for regularity in attendance shall be awarded according to the following scale:

Attendance	Marks
a) Below 75% of the total number of attendance	Zero
b) From 75% to 85% of the total number of attendance	60%
c) Above 85% to 90% of the total number of attendance	80%
d) Above 90% to 100% of the total number of attendance	100%

Two compulsory class tests shall be held in each course will equal weightage of marks for each class test. However, if a candidate is unable to appear in any of the two tests conducted because of the genuine reasons may be given one more chance by the Principal on the request of the candidate.

- 5.5 The evaluation of Sessional marks in the laboratory courses shall be based on the following distribution.
- | | |
|--------------------------------------|-----|
| a) Lab. Work (Continuous Assessment) | 50% |
| b) Viva-voce test | 30% |
| c) Attendance | 20% |

The marks out of 20% for regularity in attendance shall be awarded according to the following scale:

Attendance**Marks**

- a) Below 75% of the total number of attendance Zero
- b) From 75% to 85% of the total number of attendance 60%
- c) Above 85% to 90% of the total number of attendance 80%
- d) Above 90% to 100% of the total number of attendance 100%

- 5.6 The successful candidate of the B.E Degree under the CBS shall be awarded Grade/Grade points as per the system of evaluation tabulated below:

Grade	Grade Points	Percentage of Marks Obtained	Remarks
A+	10	85 & Above	Outstanding
A	9	75<85	Excellent
B	8	65 <75	Very Good
C	7	55 < 65	Good
D	6	40 <55	Average
E	4	Below 40	Fail
AB	0	Absent	Absent

- i) A student obtaining Grade E shall be considered failed and will be required to reappear in the examination as per existing rules of the University under CBS for Under Graduate Courses.
- ii) Grade (D) or percentage of marks (40%) is required to pass in a course, SGPA of 6 to qualify a semester and a minimum CGPA of 6 to qualify for a UG Degree.

Note: The CGPA can be converted to equivalent percentage by multiplying CGPA by 9.5.

6. NON ENTITLEMENT FOR ACADEMIC AWARDS

- 6.1 Candidate having passed the theory papers in supplementary examination by a repeat performance in any semester examination shall not be eligible for any academic award of Distinction, Prizes and Medals.

7. ENTITLEMENT FOR ACADEMIC AWARD

- 7.1 Gold Medals/Awards etc., shall be awarded by the University each year in accordance with the regulations made there under at the time of convocation to the candidates securing first position in order of merit of CGPA in each discipline and one to the overall topper. In case of tie(s) in CGPA the total percentage obtained by the candidate in all the semesters taken together shall decide the award as per merit.

8. PROMOTION FROM ONE SEMESTER TO ANOTHER

- 8.1 Promotion from one semester to another semester i.e. from 1st semester to 2nd semester, 2nd semester to 3rd semester and so on shall be automatic. Provided that a candidate shall not be allowed to attend classes in the next higher semester unless he/she has appeared in the examination of immediate preceding semester.
- 8.2 The internal sessional award/marks shall be submitted to the controller of examinations within 15 days after the completion of University B.E End semester examinations.
- 8.3 A candidate who has been enrolled for the B.E Course shall be admitted to the B.E Degree only when she/he has been declared successful in the examinations of all the semesters in accordance with the above Statutes.
- 8.4 The overall grade card shall be issued on payment of such a fee as prescribed from time to time a student who has completed the B.E Course and has been declared successful in the semester examination in conformity with above statutes.
- 8.5 The rates of fee payable for admission to the examination of the 4 year Bachelor of Engineering course and rates of the remuneration for the various assignments shall be such as may be prescribed by the University, from time to time.

9. AUTHORITY TO INTERPRET STATUTES

With a view to remove any difficulty or anomaly arising out of the application and implementation of these Statutes, the Vice-Chancellor shall be competent to give authoritative interpretation of these Statutes and his interpretation shall be final and binding on all the concerned.

Statutes Governing The Degree Of Post-Graduate Programme In Engineering: Master Of Technology (CBS)

1. Title

1.1 These regulations shall be called “**Regulations Governing the Credit Based System**” for Post Graduate Programme in engineering from the academic session 2020-21. In short, it will be referred to as “**JU(PG) CBS REGULATION IN ENGINEERING**”.

1.2 Scope, Application and commencement

The regulations shall apply to all the Master of Technology programme in relevant branch of Engineering and Technology hereinafter referred to as M.Tech, offered by the Institutes Affiliated to the University of Jammu under the ambit of the Faculty of Engineering from the academic session 2020-21. The learning and evaluation is on semester based pattern. Provisions under these regulations hereby supersede all the existing regulations for the regular postgraduate programmes in engineering offered by the affiliated Institutes to the extent prescribed herein.

2. DURATION

2.1 The course for the degree of M.Tech programme shall be spread over a period of two years comprising semesters I, II, III and IV. The maximum period of completion of the programme including dissertation work shall not exceed four academic years. The programme of instruction will consist of Core courses, Elective courses and Dissertation work.

2.2 In any case the candidate has to clear all the prescribed courses of M.Tech within a maximum period of four years to be calculated from the date he/she is admitted to the M. Tech program.

3. ELIGIBILITY CONDITIONS and ADMISSION CRITERIA

3.1 The candidate applying for admission to M.Tech programme must be either:

- i) B.E/B.Tech (in relevant branch of engineering and technology) with 50% of the marks or equivalent CGPA.
- ii) MCA/M.Sc (Computer Science/IT/Electronics/Mathematics/Statistics/Physics) in case of M.Tech in Computer Science and Engineering, Electronics & Communication Engineering and allied domains, with 50% of the marks or equivalent CGPA.

All the above-mentioned degrees should be from Institutes/Universities recognized by UGC/AICTE. A relaxation of 5% in marks in the qualifying examination shall be given to the candidates belonging to the categories of Scheduled Caste (SC) and Scheduled Tribe (ST) as mentioned in Statute-5. This relaxation shall not be applicable to private affiliated Institutes.

3.2 All the candidates seeking admission to M.Tech should have a valid GATE score. The GATE score of two years will be valid. The admission shall be strictly based on the score obtained in GATE.

- 3.3 In the absence of having adequate number of candidates with valid GATE score, the University of Jammu shall conduct its own written/online test for admission to the said programme. Admission shall be based strictly on the merit obtained in the entrance test.
- 3.4 In case two or more candidates score the same score in written entrance test, their inter-se-merit shall be determined on the basis of percentage of marks in the qualifying examination. In case of a tie even at the qualifying examination, the decision for admission shall be taken by the admission committee headed by Dean Engineering, University of Jammu on the basis of other academic credentials. The decision of the committee shall be final and binding on the candidate.
- 3.5 A candidate appearing in the final year of the qualifying examination in April/May of immediately preceding academic session can also apply for admission to **M.Tech** only if he/she furnishes documentary evidence in support of his/her having passed the qualifying examination in full on or before 31st of July, or such other date as may be approved by the Dean Academic Affairs, University of Jammu; failing which his/her candidature shall automatically stand cancelled and the seat thus becoming available shall be filled in accordance with the merit.
- 3.6 The candidate should be a Domicile of J&K UT.

4. NUMBER OF SEATS
