## Government College of Engineering & Technology Chak Bhalwal, Jammu-181122 J&K State

No. GCET/ P/19/27B

Dated: 24-01-2019

### MEMORANDUM OF UNDERSTANDING

This MOU is entered between into on the 24<sup>th</sup> Day of Jan., 2019 by and between Govt. College of Engineering and Technology, Jammu (hereinafter called GCET, Jammu), situated at Chak Bhalwal, Jammu.

And

Hindustan Foods Limited, Samba, J&K (hereinafter called HFL, Jammu), a manufacturing unit.

#### ABOUT:

**GCET Jammu** was established in the year 1994 under the Department of Higher Education, Govt. of J&K, affiliated to University of Jammu and AICTE approved institute. The institute was established with a vision to provide valuable resources for industry and society through excellence in technical education and research. The institute offers UG degree in engineering courses viz. Electronics & Communication, Electrical, Computer, Mechanical and Civil Engineering. The alumni of the institute are positioned globally in the Government, Public Sector & Private Organizations. GCET has also availed an opportunity of Technical Education Quality Improvement Programme (TEQIP-III), a World Bank aided project of MHRD, Govt. of India with an aim to improve the quality of technical education in the institution.

**Hindustan Foods Limited** was established in 1988 as a result of Dempo Group's foray into the FMCG segment through a joint venture with Glaxo India Limited, with the objective of manufacturing nutritional food products. HFL Jammu is spread across 35,143 square meters and is Manufacturer of coils, aerosols, LED refills (vaporizers) and mosquito repellent cards (Active). HFL Jammu is an ISO 9001, ISO 14001, ISO 18001- certified.

#### OBJECTIVES OF MOU:

- To create awareness among the students about the job functions in the industry.
- To make students understand how an industry works
- To impart pertinent practical knowledge and skill required by the industries.
- To develop talent in the students required for working in the Industries
- To develop capabilities to become self-employed.
- To make students correlate their critical studies with practical knowledge of the industry.
- To bridge the gap between college curriculum and industrial requirement.
- To invite industrial experts as a resource person so as to share their expertise.
